FD248739

Lightweight corrosion resistant aluminum bleachers provide an economical maintenance free seating solution for indoor or outdoor sporting events. Made of 2" thick x 10" deep extruded aluminum planks to ensure uniform strength and 2" aluminum angle frame understructure for durability and reinforcement. All seat boards are satin anodized to prevent oxidation or discoloring. All bleachers without guardrail system have finished footboards. All 5-row bleachers with guardrails have double footboards and risers on rows 4-5 to meet most building codes. All 4-row low-rise bleachers (5 1/2" Rise) meet 30" threshold for height. Chain link guardrails are 42"H with galvanized finish. Tip-N-Roll bleachers have 5" non-marring casters and rubber footpads to protect flooring. 1 Year Limited Warranty. Check local codes for height restrictions and guardrail requirements

Designed for commercial applications including outdoor cafes and beaches. Resin construction is impervious to salt air, chlorine and most common stains. All furniture is UV stabilized to withstand extreme temperatures and meet ASTM Class B standards for outdoor commercial use. Easy-to-clean using only soap and water.

Chairs are stackable for compact storage. Round Tables have a large 4-leg base for stability and accept optional Umbrellas. Chaises have 4-position adjustable back with built-in guards and recessed wheels. Stackable for storage. Optional Chaise Cushions are tufted fabric upholstered slipcovers. Uses hood and Velcro side ties for attachment. Wooden Market Umbrellas fit through all tables using 1 1/2" diameter post. Umbrella Base fits under tables and can be filled with water or sand for stability.
