

HANOVER®

THE MANOR DINING COLLECTION

MANOR DINING COLLECTION:

Treat your guests to the best dining under the sun with the Manor Collection by Hanover Outdoor. This series includes an assortment of cast-top table options, offered in various shapes and sizes that cater to your style, desired seat quantity and outdoor space. Each piece is constructed with durable aluminum frames and polished with a protective bronze coating. This finish accentuates any surrounding environment and repels all moisture and weathering harm. Ornate, open-cast accents swirl across the top of each table and chair, creating an elegant display of craftsmanship throughout the entire collection.

All chairs are constructed with premium outdoor sling fabric with contoured seating. This provides upper and lower back support as you dine in comfort and style. Swivel-action rockers are available as an alternate option to the traditional dining chair. These rockers perform a smooth, 360-degree spin and gentle rocking motion providing guests with additional comfort throughout the meal.
