

All Coil Cleaner

Universal Coil, Fan & Filter Cleaner

Use All Coil Cleaner for evaporator and condenser coils, air filters and mechanical equipment. Removes grease, dirt, and oxidation. Eliminates odors.

All Coil Cleaner can be diluted with 1 to 3 parts water, depending on the amount of foaming action and the level of cleaning required.

All Coil Cleaner renews condenser coils, permanent air filters, evaporator coils and removes greasy dirt from mechanical surfaces, restoring it to their original conditions.

- Environmentally safe, biodegradable
- Cleans and brightens all metal parts
- Eliminates unwanted odors
- Non-acid, alkaline based, non-toxic
- Safe on aluminum and copper
