

Beverage Center ~ DBC2760BLS

Features

- French door design with two independently controlled temperature zones for wine and beverages
- Precise digital thermostat with LED display permits the temperature to be accurately set and monitored through the door
- Our frost free, fan forced cooling system combined with our digital thermostat provides a more consistent internal temperature than an automatic defrost system
- "Cool Blue" - true LED track lighting system beautifully showcases the wine without the heat created by an incandescent bulb
- Elegant stainless steel trimmed shelves with matching door trim
- Semi-flush discreet cupped door handle doesn't snag clothing
- Integrated door locks
- Tinted tempered glass door helps protect contents from harmful UV light
