Simple, Fun, Smart + Layered

LINK

Multifunctional. When the board is removed, the bases not only look like a piece of artwork, they become an additional whiteboard surface with a utensil tray built-in.

Collaboration at it's best, the removeable board can be easily transported for use in group settings. Who says a whiteboard has to be stationary?

Intentionally designed with a 5° angle off the wall, LINK Boards are the only ergonomically designed personal whiteboards in the world.

LINK Board 24" x 18" in bright blue face with soft blue base (left) and 24" x 30" (right) in white face with lime green base

LINK BOARD

Personal spaces need personality. The LINK Board was designed to add color, productivity, and mobility to modern workspaces.

LINK Boards are inherently magnetic, ergonomically designed, and mobile. Use not only as a writing surface, but as a place to post thoughts, collaborate, and inspire.

The LINK Board features IdeaPaint's Premium Dry-Erase Powder Coat on a beautifully formed steel surface for an incredible user experience.

Take advantage of this one-of-a-kind communication tool and make your personal space, personal.
