

J-4002 1 X 42 BENCH BELT AND DISC SANDER

577003

Every shop needs a combination Sander capable of delivering premium finishes every time. The JET-J4002 is a powerful and versatile machine, performing the work of a jig saw, coping saw or hand file removing material and creating a superior finish at the same time. Deluxe miter gauge, removable platen and cast iron construction are among the features that draw pros to this JET machine.

FEATURES

- Abrasive belt unit does the work of a jig-saw, coping saw or hand file while removing material and finishing at the same time, allows the operator to get into small openings plus handle odd shapes and angles
- Deluxe miter gauge that turns and locks for common angles, 45° both left and right
- Removable platen allows for sanding, grinding or finishing of outside curves or odd shaped work pieces on the belt
- Hinged idler wheel cover
- Cast Iron construction
- Heavy-duty steel base and rubber feet
- Adjustable dust deflector and dust chute

JET RED ASSURANCE 2-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
