MILESYN SB 15W40 CJ-4

HEAVY DUTY MOTOR OIL

MILESYN SB 15W40 CJ-4 is a superior lubricant formulated to meet or exceed the warranty requirements of most manufacturers of diesel and gasoline engines. Field tests have shown our CJ-4 oils retain TBN levels for longer periods due to the advanced additive chemistry. Designed for the modern high performance, low emission diesel engines using ERG and Diesel particulate filters, this lubricant offers superior engine protection for heavy-duty diesel engines requiring the latest API CJ-4/SN specification.

Features and Benefits

- Exceptional overall engine protection
- Excellent cold temperature properties
- Outstanding soot control
- Extreme protection against oil thickening.
- Protects against rust, wear, and bearing corrosion.
- Excellent protection against sludge and varnish formation
- Resistant to viscosity and thermal breakdown at high temperatures
