SR-2363Z Commercial Electric Rice Cooker

Automatic Cooking Feature

This feature makes the rice cooker easy to use. It automatically cooks the rice and switches to the keep warm feature when cooking is done.

Superior Holding

Not only does it have a heater on the bottom but the sides too, to keep rice moist throughout the pan.

Heavy Duty Non-stick Coated Pan

Non-stick, removable coated pan makes for easy cleanup and helps prevent cooked rice from sticking.

Locking Lid with Silicone Rubber Seal

Maintains proper pressure and moisture to eliminate soggy and mushy rice for better tasting rice.

Magnetic Rice Scoop Holder

For added convenience, the rice scoop holder can be attached to the body of the rice cooker.

20-Cup Capacity

The SR-2363Z can cook up to approximately 50 – 60, 3 oz. servings in 30 minutes or less.

NSF Approved

The SR-2363Z is built with durability and attention to safety that has been tested and certified by the NSF International, the Public Health and Safety Company™ with the National Sanitation Foundation.

Easy-to-use Carrying Handles

Convenient carrying handles provides easy maneuverability and transportation.
