Triple Wide Full Shell Catheter Procedure Cart with Tambour Door Designed for use in a Cath Lab

#MS8160CATH

The MS8160CATH Catheter Procedure Cart is a triple column cart with tambour door specifically designed for use in a cath lab, i.e. an examination room in a hospital or clinic with diagnostic imaging equipment used to support the catheterization procedure.

Preconfigured as follows: left column, 3 Catheter Slides; middle column, 3 Catheter Slides; right column, 3 Catheter Slides

Construction:

- Painted steel cabinet, 20-gauge powder-coated steel

Advantages and Benefits:

- Since hospital space is at a premium, the MS8160CATH is perfect for storing, protecting and transporting medical instruments and supplies in a cart that comes fully assembled and ready to use.
- Designed for hospitals where there is never enough space in surgical workplaces
- Keep track of supplies while reducing excess inventory with a modular system of exchange trays, wire baskets or catheter slides.
- Increase workspace efficiency and improve workflow cut costs, decrease waste, improve productivity and enhance patient care.
- Various heights for plastic trays and wire baskets are available: choose from two inch, four inch or eight inch plastic trays; choose from four inch or seven inch wire baskets. Achieve space savings by using sliding dividers for storing drugs and medical supplies.

Standard Features:

- Plastic side panels made of ABS, an impact resistance thermoplastic, accommodates exchange trays and wire baskets (sold separately)
- Either column can be removed created a double-wide column next to a single wide
- Shelves can be added to the double wide column
- Roll-up tambour door with key lock allows for access to supplies during clinical hours.
- Full extension catheter holders with six or eight pairs of hooks (sold separately)
- Integrated push handles and corner bumpers
- Premium five inch casters, full swivel – two with brake
- Standard color is Sand. Also available in 16 other colors, using durable hard-baked powder coat finish
- Ships fully assembled
- twelve year warranty
