Kensington®

Desk Mount Security Anchor Point

Create a convenient, secure anchor point for your laptop lock

K64613WW

Product Description

Add a secure anchor point to any work surface, providing employees with a convenient and easily accessible place to lock down their computer. The Kensington Desk Mount Cable Anchor attaches via either industrial-strength mounting tape or security screws.

Features

- Provides a secure anchor to any work surface

- Convenient to use means no more searching for a strong anchor point under your desk or workstation

- Attractive design complements modern office décor

- Tamper-resistant features include 2 one-way security screws and full steel construction prevents cutting

- Built-in Kensington Security Slot

- Industrial strength mounting tape provided for situations where screwing holes is not an option

- TAA Compliant
