Packaging Content	2 radios, 2 NiMH Rechargeable battery packs, 2 belt clips, 1 Y-cable charging adaptor with dual micro USB connectors, 1 user guide, 1 accessory brochure.
Tag line	Go Outdoors

<p>Positioning</p>	<p>Keeping You Connected During Everyday Activities</p> <p>The Talkabout T402 radio is perfect for your outdoor excursions as well as life's everyday adventures. Take a pair of radios on your next camping trip, hiking trip or even to your house backyard or nearby park. With a simple push of the button, you can enjoy outdoor activities and quickly stay connected to friends and family.</p> <p>With a range of up to 35 miles and freedom to communicate wirelessly, the T402 won't slow you down. The range in real-life conditions can be reduced from maximum range.</p> <p>How far can I expect my radios to communicate? The communication range quoted is calculated based on an unobstructed line of sight test under optimum conditions. Actual range will vary depending on terrain and conditions, and is often less than the maximum possible. Your actual range will be limited by several factors including, but not limited to: terrain, weather conditions, electromagnetic interference, and obstructions.</p>
<p>In this section you will find Feature/Benefits of the product, when cells are empty scroll down.</p>	
<p>Bluetooth</p>	<p>N/A</p>
<p>Waterproof/Weatherproof</p>	<p>IP54 Weatherproof</p> <p>With the IP54 weatherproof design, the radio withstands the effects of rain, snow and other weather conditions.</p>
<p>Floats</p>	<p>N/A</p>
<p>Repeater Function</p>	<p>N/A</p>
<p>Power</p>	<p>Power Through Your Adventures</p> <p>There are two ways to power your radio. You can use NiMH rechargeable batteries included for up to 8.5 hours. Or use 3 AA batteries on the go for up to 21 hours.</p> <p>There are three ways to charge the NiMH rechargeable batteries. You can plug the micro-USB cable to an outlet, connect it to your vehicle adaptor, or to your computer.</p>

Total Emergency Preparedness	<p>Total Emergency Preparedness</p> <p>This radio includes an emergency alert feature, allowing you to enjoy your escape to the great outdoors with confidence that others can be informed of any dangers that may come your way. When the alert button is activated, the radio transmits an alert siren followed by transmission of spoken or incidental sounds. This allows you to send the signal to other radios and warn of impending danger. You can also use the whistle belt clip to let others know that you need help. In addition, there's a built-in LED flashlight for peace-of-mind during evening adventures, unexpected emergencies and power outages.</p>
Built-in Flashlight	<p>Emergency Light Source</p> <p>A light source is always essential during any emergency situation. It's crucial to be able to see what you are doing and where you are going. This radio has a built-in LED light which offers emergency lighting when needed.</p>
Earbuds with PTT Microphone	N/A
Micro USB Charger	N/A
NOAA Weather Channels and Alerts	<p>****NOAA Weather Channel</p> <p>Want to keep in touch with changing weather conditions during your family camping adventure? No need to stop the fun — weather alerts will provide your group with warnings of incoming storms or dangerous conditions. And, by tuning in to one of 7 NOAA channels (National Oceanic and Atmospheric Administration) on your radio, you will always know what to pack with continuous local and regional weather broadcasting.</p>

Emergency Preparedness	<p>Emergency Preparedness</p> <p>Whether you are an outdoor enthusiast or just making sure you and your family are informed, you will have 24/7 access to alerts ranging from flash floods to tornado warnings to national emergencies. Use the radio feature to team up with someone in your neighborhood to check on each other in case of emergencies. This radio provides the ideal combination for those who want real time accurate weather monitoring capabilities and the ability to communicate in case of emergencies.</p>
VibraCall™ vibrating alert	N/A
Accessory Connector	<p>Hands-free Communication</p> <p>When you are hiking up a steep mountain trail, you really need to keep your hands free to brace the rocky terrain. With iVOX acting like a speakerphone and allowing hands-free communication, you can keep on moving without stopping to answer a call.</p>
Privacy	<p>Full-featured Privacy</p> <p>This radio has full 22-frequency capacity with 121 privacy codes to reduce interruptions. The Motorola QT (Quiet talk) functionality allows the radios to be set so they can communicate with other compatible Motorola products, adding yet another level of distinction from the other manufacturers.</p>
Dual Power	<p>Dual Power</p> <p>Are you running out of battery power and with no power outlet around to recharge the batteries? Just pop in 3 AA batteries and your unit is operating again for another 21 hours of estimated talk time.</p>
Call Tones	<p>Call Tones</p> <p>Call tones are what people calling you can hear instead of the normal default ring. Choose what your callers will hear from ten audible call tones to grab the attention of your family and friends before you start speaking.</p>

PTT Power Boost	N/A
Extended Life Batteries	N/A
SC Audio	N/A
Talkabout Clear	N/A
Eco Smart	<p>Eco Smart</p> <p>Most of the energy wasted when using a mobile device occurs during the charge. This radio consumes less power during its idle condition.</p>
Scan	<p>Quickly Find a Channel</p> <p>Use the scanning feature to see which channels are currently in use.</p>
Low Battery Alert	<p>Low Battery Alert</p> <p>Low battery alert reminds you when batteries are running low.</p>
Keypad Lock	<p>Keypad Lock</p> <p>Keypad lock prevents your personalized settings from being inadvertently changed.</p>

Quiet Talk	<p>Keep It Private</p> <p>The Quiet Talk (QT) feature ensures uninterrupted communication with other Motorola radios that also have this feature. Filter out unwanted transmissions from non-Motorola radios in heavy traffic areas such as ski resorts or amusement parks.</p>
Compatible	<p>Compatible with Any Radio</p> <p>You can communicate with other FRS/GMRS radios regardless of brand by being on the same channel and privacy codes.</p>
Channels	<p>22 Channels Each with 121 Privacy Codes</p> <p>With 22 channels and 121 privacy codes, totaling 2,662 combinations, it's easy to find an available channel.</p>
FM Radio	N/A
Wall/Desk Stand and white charger	N/A
Quiet Charge	N/A
	<p>NOAA radio service may not be available in all areas. Check with your local weather office for frequency and details, or visit www.weather.gov/nwr, (Canada: www.msc.ec.gc.ca/msb/weatheradio).</p>
