Wall Pocket #255750

Open Ended Wall Storage Pocket - #255750

Open Ended Wall Storage Pockets are made of Eco friendly PETG plastic that is both durable and easy to clean. These pockets will withstand years of use and still look new. They can be horizontally mounted to a wall, door, bed, cart, or file cabinet and accommodate files and binders up to 1½ inches wide. The higher front panel and tilted base design keep contents secure in these open ended units. Screw holes are pre-drilled through both the front and back panels for easy mounting. These units measure 6 inches high by 12 inches wide and 3 inches deep and are recyclable.
