

Improve business efficiency • Improve employee workplace safety • Improve patient care & management

Sanitation Station - #304000

Stainless steel sanitation stations have an easy to care for finish that will withstand years of use still look new. They are ideal for use in medical, lab and food prep functions or any area where cross contamination is an issue. These combo units provide two levels of protection at one site, offering liquid/foam hand sanitation or if needed, more complete protection with gloves. Each holder accommodate one glove box (up to 5" H x 9 1/4" W x 3" D) and most 8 fluid oz hand sanitizer pump bottles. They are simple to load and can be mounted horizontally on a variety of surfaces.

- Stainless steel strength and durability
- Easy to clean, load and mount
- Combo holder for gloves and hand sanitizer
- Measures 5 3/4" H by 12" W by 3 1/4" D
- Holds one box of gloves and one 8 fluid oz bottle
