Omni Glove Box Holder - #305325

Omnimed wire glove box holders are constructed of heavy gauge steel wire that is powder coated for a durable and easy to clean finish. They are ideal for use in medical, lab and food prep functions or any area where cross contamination is an issue or protective gloves are needed. These glove box holders are simple to load and accommodate one glove box. Each unit comes with mounting hardware and can be mounted vertically or horizontally on a variety of surfaces. All single glove boxes fit this model.

- Durable white powder coating on steel wire
- Easy to clean, load and mount
- Vertical or horizontal holder for one glove box
- Measures 10 3/4"H by 4"W by 3"D
- Mounting hardware included
