Product Description

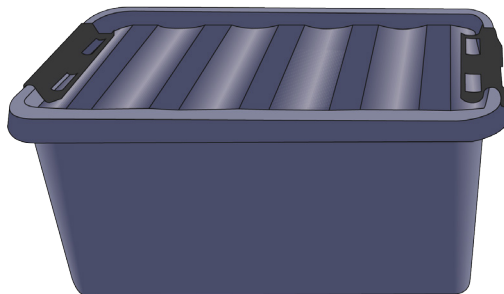

The SR 344 is intended for stationary storage of larger respiratory protection device products, such as the SR 200 full face mask (APR) with filter and accessories. The cover is held in place by means of two clamps.

The SR 230 accommodates a half mask (APR) with combination of filter/cartridge. The box is triangular and has a cover that is secured to the box. Equipped with both shoulder strap and holder for securing to the user's belt.

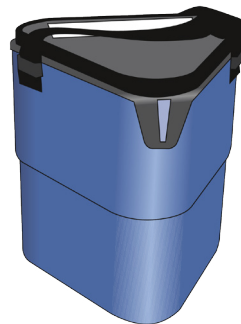

The SR 339 is a sewn bag with cover that is secured by means of Velcro tape. Intended for half mask (APR) with one filter/cartridge. Can be secured to the user's belt.
