## iFlex® Modular Desking System

- With logical design and modern good looks, iFlex® Modular Desking provides the ultimate in flexibility for designing your conference room, boardroom, office workspaces, or home office.
- Ergonomic and attractive curves create workspace comfort and allow multiple configuration options. Easy to set up, break down, and rearrange to suit your needs.
- Available in cherry woodgrain vacuum-formed PVC with black legs. Select tables available with platinum legs. Grommets included on large desks for easy cable management.
- Assembly is easy, and tables are a snap to move with stable glides on front legs and swivel casters on back legs. Ganging device included to join tables together. Tables tested to support up to 300 lbs.
- Optional accessories include a three-drawer file cabinet, desktop privacy panels, and accessory storage trays for the privacy panels.
- TAA compliant. Has achieved GREENGUARD GOLD Certification.
- Pop-Up Grommet Outlet & USB Charger provides instant desktop power and charging accessibility.
- Optional rubber ganging device allows you to join your table configurations with ease.
- Also available in convenient bundles for an open office or home office setting. Bundles feature cherry tops with platinum legs.
- Open office bundle includes two large right desks, two large left desks, four file cabinets, two full length privacy panels, two half length privacy panels, and four sets of accessory trays.
- Home office bundle includes one large right desk, one printer table, and one file cabinet.
