

MULTI-USE SEATING

Compact Stacker is great for individual or mass seating needs!

Uniquely Designed Contoured Seat and Back for Optimal Comfort.

Convenient handle allows for easy moving and storage

2100 Series

Bumpers help protect from scratching and prevent tipping by creating a more uniform stack.

4 stacking bumpers underneath the seat help prevent wear and tear from continuous use. 3 braces underneath the seat give added strength.

The ganging glide simply snaps together to create the perfect row!

Glides are screwed into the frame to prevent them from slipping off - no clip ons!
