

Fraser Hill

The Canyon Pine Collection

Fraser Hill Farm's artificial Christmas trees feature half or corner tree variation in two sizes from the Canyon Pine Collection. The realistic trees feature all the long-term benefits that come with owning an artificial tree and less hassle. Imagine never having to shop, chop and pay for another natural tree again. The Canyon Pine simply unfolds out of storage and allows you to bring the spirit of the season to even the smallest spaces. These models are pre-strung with lighting, a system of long-lasting, evenly distributed, clear bulbs. The tree needles are made of non-allergenic and flame-retardant materials and painted multiple hues of green so no two are exactly alike. These details create the look of a natural tree and require less maintenance. Designed to last, this Canyon Pine tree is sure to provide more convenience and ease to your holiday season, year after year.

- Canyon Pine artificial Christmas tree, adapted for corner or half-wall placement
- Metal hinged branch construction
- Flame-retardant and non-allergenic materials
- High-quality PVC needles
