The Foxtail Pine Collection

The Foxtail Pine Collection of artificial Christmas trees from Fraser Hill Farm features lifelike foliage painted multiple hues of green so no two are exactly alike. Fraser Hill Farm produces the most realistic trees in the market, offering all the long-term benefits that come with owning an artificial tree. Imagine never having to shop, chop and pay for another natural tree again. The Foxtail Pine's all-metal hinged branch construction simply unfolds out of storage, ready to bring seasonal enchantment to your space. The tree needles are constructed out of non-allergenic and flame-retardant materials. The 12-ft. tree's lighted options are available with EZ Connect, designed to make assembly a breeze by auto locking each tier securely into place.
