

Economizer 6ft Bench

Item #ASM-EM6B-02

by Polly Products

This 6 ft Economizer Bench by Polly Products has the same durability as all our benches but it is made with a slightly smaller plank for a more economical product. Manufactured with 100% recycled plastic for an environmentally friendly product. Since plastic does not degrade very fast, using recycled plastic creates a long lasting product and keeps the plastic and the discarded wood benches out of our landfills.
