1-800-MELT-ICE

Arctic CLEAR Window & Mirror De-icer™

is a powerful liquid spray de-icer that melts the ice, frost and light snow immediately upon contact. When you need to get going in a hurry Arctic CLEAR will clear the way.

Clears on Contact

Arctic CLEAR Window & Mirror De-icer™ clears immediately on contact. Clears ice, frost and light snow off Windshields, Windows, Mirrors, Locks, Headlights, Doors and multiple surfaces.

Streak and Residue Free

Arctic CLEAR Window & Mirror De-icer™ leaves your windows streak and residue free. It removes bugs and road grim leaving your windows clean and clear.

Powerful – Effective to -42°C (-44°F)

Arctic CLEAR Window & Mirror De-icer™ contains Methanol, considered the most effective alcohol for melting ice. It is very powerful and will work to temperatures as low as -42°C (-44°F). The product works faster than your typical windshield antifreeze.

Contains Biodegradable Ingredients

Arctic CLEAR Window & Mirror De-icer™ contains Methanol which is a naturally occurring, biodegradable alcohol that is one of the most abundant organic compounds in the environment. Methanol is used as an environmental solution to clean up sensitive waterways and added to gasoline to improve engine emission levels.

Prevents Ice from Forming or Re-freezing

Arctic CLEAR Window & Mirror De-icer™ can be used as an anti-icer to prevent the ice from forming or re-freezing over for hours. This prevention method is simple - just spray the product on your windows after parking.

Makes Driving Safer

Arctic CLEAR Window & Mirror De-icer™ is used to increase visibility and make driving safer. Most people find it difficult to scrape their entire windshield or windows clear and will drive with less visibility. Using Arctic CLEAR Window & Mirror De-icer™ makes the job quick, fast, effective and simple and will clear everything.

Safe on Car Finishes

Arctic CLEAR Window & Mirror De-icer™ has been specifically designed to not affect car finishes. It is safe and easy to use.

Leak Free Can

Arctic CLEAR Window & Mirror De-icer™ is packaged in a leak free aerosol spray can and can just be tossed into the trunk of your car during the winter season. Trigger sprayers, on the other hand, should always be kept upright to avoid leaking.

Sold in Display Cases

Arctic CLEAR Window & Mirror De-icer™ is sold in great POS Display Cases making it easy for the retailer to display and sell anywhere in the store. It is a great item for near the cash register to increase sales.
