**TERMS & CONDITIONS.** The DEALER agrees to the provisions outlined for the catalog. DEALER understands total cost for these catalogs will be due and payable upon receipt of catalog invoice. In consideration of the above, we agree to adhere to the specifications outlined to produce a quality catalog for DEALER distribution. Paper quality and type may vary depending on market fluctuations. All prices published in the catalog reflect current cost (at the time of printing) in U.S. currency. However, due to changing economic conditions, prices, colors and specifications are subject to change without notice. The DEALER understands we retain copyrights. The DEALER will not reproduce this catalog in whole or in part without the express written consent of Global Industrial.

# Jump-start the process that leads to purchasing decisions

Catalogs engage the reader, create product interest and drive purchases.

Our catalog program provides distributors and their customers expanded access to material handling and MRO products. Catalogs serve as a primary source to communicate to current and potential customers.
