

Global Floor Scrubbers

Clean concrete, vinyl, tile, laminated, painted or marble floors.

Save time and money with advanced features and simple operation

Style	Coverage Sq. Ft./Hour (area)	Cleaning Width	Tank Capacity Solution/Recovery	User Effectiveness	Features	Price
Pad-Assist	up to 22,000 (small/medium)	up to 20"	up to 15/17 gal	GOOD (Some operator fatigue)	Pad Assist scrubbers help the user move the machine forward by the grip of the rotating scrub desk against the floor.	\$
Self-Propelled	up to 33,360 (medium)	up to 26"	up to 18.5/21 gal	BETTER (Moderate operator fatigue)	Self-Propelled scrubbers use an electric motor to power the unit forward or reverse, and require less effort to operate.	\$\$
Ride-On	up to 60,170 (large)	up to 34"	40/45 gal	BEST (Significantly reduced operator fatigue)	Ride-On scrubbers offer significantly reduced operator fatigue, and feature larger cleaning paths and solution/recovery tanks to get more done in less time.	\$\$\$

A Note on Power Source: Battery powered scrubbers offer run times of up to 4.5 hours, and are easier to maneuver. Electric corded scrubbers have an 82' power cord and are more economical, but are restricted by cord length and number of outlets in working area.

AVAILABLE MODELS			
Global No.	Cleaning Path	Type	Power
