

Quick Rags Cleaning Wipers

Global™ Quick Rags™ Wipers are designed for strength, absorbency and durability, and are ideal for all cleaning and wiping applications in heavy industrial, manufacturing plants, food service facilities, hospitality, offices, health care facilities, schools, universities and more. Pop-up boxes are portable and compact, and allow the user to place wipers exactly where they need them. Jumbo rolls allow wiper source to be stationary for common areas with multiple users, and feature a longer service interval than pop-up boxes. Each sheet is perforated, allowing one-at-a-time dispensing is quick and easy, and helps reduce over-use and waste.

LIGHT DUTY WIPERS

Applications:

- Routine maintenance cleaning
- Basic wipe up/wipe down tasks
- Water, grease & oil clean-ups
- Removing soil & liquids from hands

Model	Description
641170	Pop-Up Dispenser 176 Sheets/Box 10 Boxes/Case 9 1/4"W x 12 1/2"H
