

Global™ Extra Heavy Duty Storage Cabinets

GLOBAL™ EXTRA HEAVY DUTY STORAGE CABINETS

Welded from high-strength 12 gauge steel for lasting durability and stability.

12-gauge extra heavy duty cabinets are all-welded. Bolt-in shelves accommodate various sized items, with an individual shelf capacity up to 1900 lbs. Doors swing on 7 gauge leaf hinges to prevent twisting and sagging. Cabinets include three-point steel locking system with 3/8" diameter rods.

Cast handle accepts padlock to provide maximum security to valuable equipment.

Bolt-in cabinet shelves adjust on 2-1/2" centers to accommodate various sized items.

6" box style legs accept forks for mobility and include mounting holes to lag to floors. Textured powder coat finish provides lasting protection.
