

# FROM PALLET JACKS TO WHITEBOARDS. WE CAN SUPPLY THAT.

## ABOUT US:

We have a lot in common with our suppliers & customers. We share a combination of common sense & uncommon commitment and a dedication to the business of helping businesses move forward.

- We are independent thinkers
- We are deadline beaters
- We are budget-stretchers

Our on-hand stock levels & corporate organization are prepared for the unexpected and we're flexible in how we respond to uncertain economic factors to ensure our continued growth. It's this kind of can-do attitude that helps us help our customers. Through this perfect partnership, we help businesses run like well-oiled machines.

# STORAGE

We offer a wide assortment of storage solutions to meet your needs and work in different workspaces & industries. Cabinets & lockers increase available storage while many types of bins, totes, & organizers help improve organization or product mobility between work areas.

Storage Cabinets

# SHELVING

Nexel Chrome Wire Shelving

Flammable Materials Cabinets

With so many kinds of shelving types, materials, & finishes, there is a system for you to store inventory and supplies across a wide variety of industries; including simple boltless models to heavy-duty bulk racks, wire & steel units, food-safe models, and more.

Wall Fans

Evaporative Coolers

Pedestal Fans

Drum Fans

Use fans by themselves or with heating or cooling systems to move air and refresh spaces. Choose pedestal & drum fans as portable options, evaporative coolers for dry environments, and wall-mounted fans for providing permanent air movement in important areas.

# SAFETY/PPE

Personal safety gear is the first line of defense against injury. Every job & industry has unique PPE needs and uses a combination of gear including hi-vis clothing & vests, fall protection systems, hard hats, gloves & goggles, and masks & respirators.

Safety Goggles

Safety Gloves

Hard Hats

Hi-Vis Vests

# CAN IT BE MADE BETTER?

We looked at popular products and started with a simple question: Can it be made better?

This led us to completely rethink how products are designed, built, and guaranteed. Each step along the way, we had you, our customer, front-and-center in our minds.

## QUALITY

Made with quality materials by industry experts, offering strength and long-lasting durability to help drive your business forward.

## IN STOCK

Exclusive Brands™ products are available to ship within 24 hours, helping your day-to-day operations stay on track.

## INDUSTRY STANDARDS

Designed to meet or exceed industry standards, carrying our full endorsement.

## SOMETHING EXTRA

Made with your business in mind and constructed with precision, offering added features and robust support components.

## WARRANTY

We back each of our products with a competitive warranty for your peace of mind. Warranty length varies by product and some exclusion and restrictions apply.
