CAPACITY	3.2 gal	6.4 gal	9.6 gal
POWER	0.67 HP 500 W	1.22 HP 900 W	1.63 HP 1350 W
VOLTAGE (V) FREQUENCY (Hz)	115/60	115/60	115/60

## First Class equipment features

- A Multipurpose Cold Beverage Dispenser perfect for Italian granita, slushies, frozen or iced coffee/tea, frozen margaritas, sorbet, frozen yoghurt, sangria, lemonade and much, much more.
- The First Class patented design eliminates "preventative maintenance" (versus competitive manufacturers, where mandatory preventative maintenance is required annually & costly).
- The drive shaft of each First Class unit is manufactured with a "Seal-Less" patent, which makes it uniquely the most hygienic & safest product of its kind on the market today.

- Our equipment does NOT require periodic lubrication or seal replacements.
- First Class is the simplest & easiest machine to clean & maintain.
- User-friendly, easy-to-read & programmable electronic controls make operation a snap.

- On-board "AutoDiagnostic" functions ensure longer product life by eliminating equipment misuse.
- Programmable "Defrost Activation" sequence automatically places machine into "Standby Mode" at pre-set time.
- Each unit is armed with "Critical Temperature" & "Low Product Level" alerts, ensuring optimal product readiness & equipment productivity.
- On-board "Digital Clock/Timer" records & tracks, total hours of equipment operation.
- First Class machines are manufactured to comply with HACCP Standards.
- Our innovative First Class design makes each unit a powerful merchandiser & profit center for any business.
- A manual & electronic locking system makes our products a perfect fit for self-service locations.

Our strong & energy-efficient "Refrigeration Process System" make our equipment's preparation cycle process the fastest in its class.
