

RABBIT

LISTEN ONLY EARHOOK EARPIECE

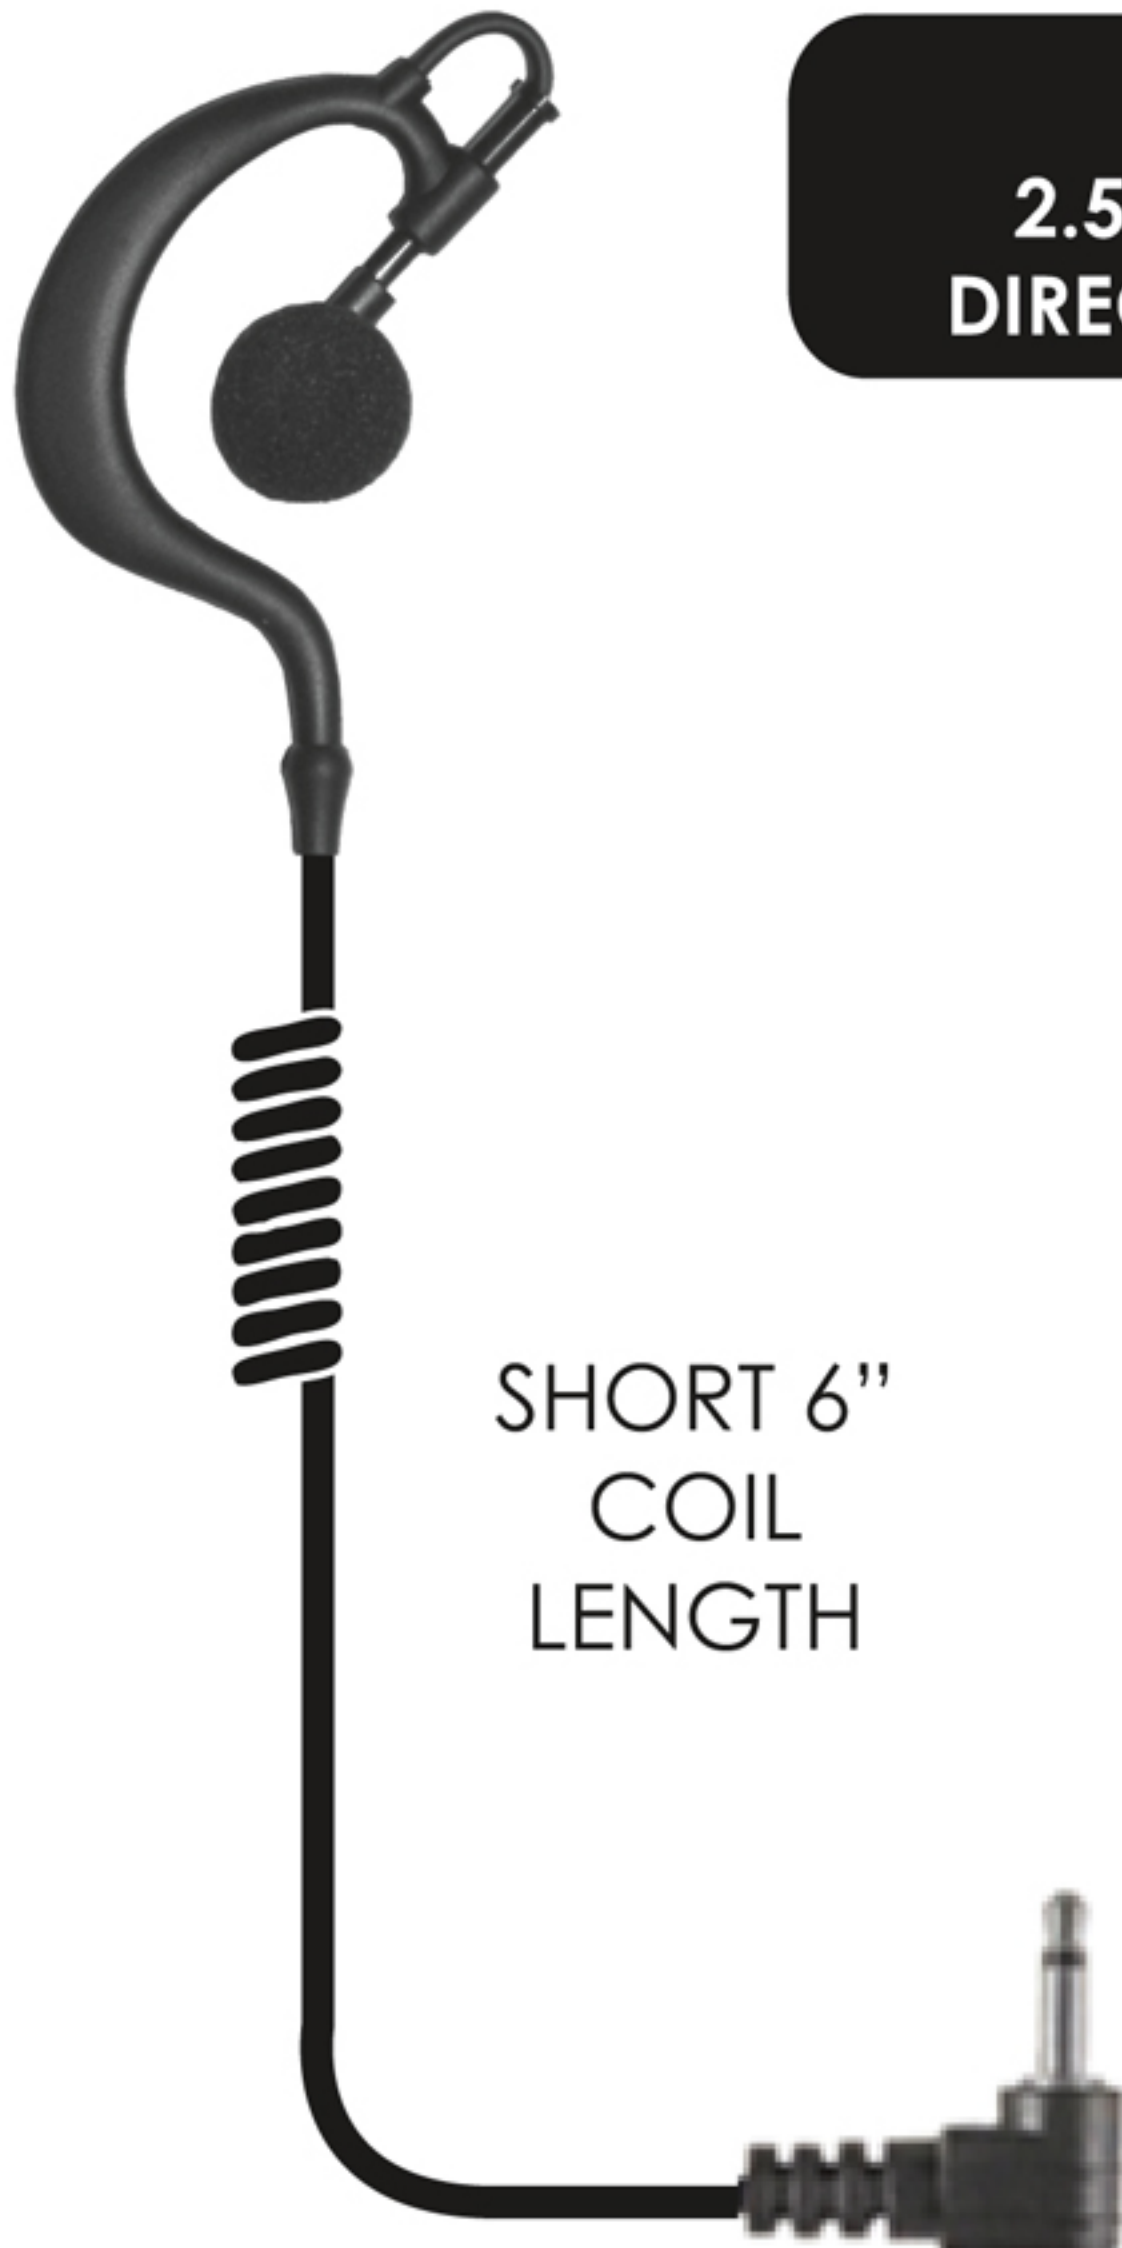

What your suspect doesn't know can save your life! The Rabbit "Listening Only" Classic Ear Hook is made of soft flexible rubber. The comfortable 15mm speaker rests securely in your ear, producing a rich, full, natural sound that can be heard only by the user wearing the earpiece. This unit is for listening only & should be used with a shoulder microphone that is equipped with a 3.5mm audio jack.

FEATURES & BENEFITS:

- ▶ Traditional earhook-style listen only earpiece.
- ▶ Privately listen to your radio and still hear your surrounding environment.
- ▶ Comfortable style promotes hygiene with earhook resting on the ear, not inside.
