Specifications

The body material is clear, rigid PVC and the tongue material is gray vinyl.
All rails have an adhesive foam tape backing.
The 12" rails also have a magnetic tape backing.
The unique design lets you display thick and thin items side by side with
no risk of tearing or damaging what is displayed.
The clear, see-through front lets the entire paper show.
The display rail can be attached to the top of a board or mounted
separately.
The rails are available in lengths from 12", 18", 24", 36", 48", 60", 72"
and 96".
