

# SUMP CLEANER WB Machine Coolant Sump Cleaner

## PRODUCT LINE

Metalloid Corporation manufactures a complete line of industrial metalworking fluids and cleaners. Metalloid's product line includes, but is not limited to Machining and Grinding Coolants, Stamping and Forming Fluids, Corrosion Inhibitors, Swiss Cutting Oils and Aqueous Cleaners.

## PRODUCT DESCRIPTION

**SUMP CLEANER WB** is a heavy-duty sump cleaner and general maintenance cleaner. This high detergency, hard surface cleaner simultaneously cleans and deodorizes the most heavily soiled sumps. The unique wetting properties of **SUMP CLEANER WB** enhances detergency and soil penetration. **SUMP CLEANER WB** is an excellent choice to remove the toughest oils, greases and shop soils. Provides very good rust protection.

## BENEFITS

- ✓ Leaves sumps clean and odor free
- ✓ Hard water stable
- ✓ Multifunctional – cleans and deodorizes
- ✓ Cleans well in cold water
- ✓ Economical – highly concentrate
- ✓ Removes tire tracks, grease, carbon, and other hard to remove soils

## CLEANING PROCESSES

- ✓ Individual coolant sumps
- ✓ Central systems
- ✓ Spray bottle cleaning
- ✓ Janitorial hard surface cleaning

## DIRECTIONS FOR USE

**SUMP CLEANER WB** can be diluted with water at any temperature. For tough soils increase the concentration and water temperature accordingly. For sump cleaning add 3% of **SUMP CLEANER WB** to the coolant while machining for as long as 24 hours drain the sump rinse with water and recharge with your Metalloid coolant. For dirty sumps with odors it is recommended to drain the old coolant recharge with **SUMP CLEANER WB** at 3-5% and recirculate it for 24 hours or as long as possible drain rinse and recharge with your Metalloid coolant.

Recommended Starting Dilutions	
SUMP CLEANER WB with Coolant	3%
Odorous sumps	3-5%
Central systems	3-5%
Wipe down cleaning	1-5%
Machine cleaning	5-10%

**PACKAGING:** **SUMP CLEANER WB** is available in 5 gallon pails, 55 gallon drums, 330 gallon totes and bulk.

## The Metalloid Partnership Advantage

Properties	
Appearance	Clear green liquid
Odor	Pleasant
Water Solubility	Complete at all proportions
pH (concentrate)	10.6
Flash Point	None
Specific Gravity	1.075

Consult your Metalloid representative for cleaner dispensers and titration kits.
