

The FLASH of Nite•Guard Solar® is not motion activated but turns on automatically at dusk. The animals stop the instant they see the flash, often times hundreds of yards away. The range of the flash is 1/4 mile or more.

-  **Solar Powered**
-  **Completely Weatherproof**
-  **Mother Earth Friendly**
-  **Safe For People, Pets & Livestock**
-  **Activates At Dusk. Flashes All Night, Every Night.**
-  **Stops Intruders, Appears As A Security Camera**

Four of the units are needed to give 360 degree protection.

Mount the units eye level to the predator
