

Liquid Hand Soap

High foaming soap that's pH balanced for use on hands. Can also be used on hair and body. Rich, stable lather leaves skin clean and refreshed. Perfect for use in health clubs/fitness centers, schools, hotels & motels, and health care facilities. More economical than sealed cartridge foam systems and has greater yield than traditional liquid hand soaps. Delightful fresh & clean apple scent.

DIRECTIONS

Read the entire label and MSDS for proper use, handling and storage before using this product.

1. Wet hands and apply small amount of product in palm of hand.
2. Rub hands together briskly, working lather into knuckles, skin creases and around fingernails.
3. Use fingernail brush to remove soil from under nails.
4. Rinse with water.
