NEW PRODUCT!

Eagle Modular Quik-Assembly™ Poly Cabinets

Modular Quik-Assembly™ Poly Cabinets

Eagle introduces a new line of Modular Quik-Assembly™ Poly Cabinets ideal for lab or industrial settings. Made of heavy duty High Density Polyethylene, these models can be assembled in minutes without tools. The 4 gallon model is a stand-alone unit, while the 12, 24 and 48 gallon models can be linked and stacked to create additional vertical or horizontal units. Models can be assembled with the option of the lockable doors opening to the left or right.

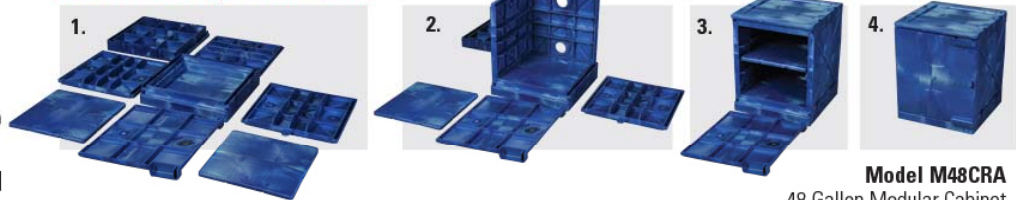

Features:

- Ideal for labs and industrial settings
- Assembles in minutes, no tools required
- Lockable doors open to a 180°
- Doors can be assembled to open to the left or right
- 100% HDPE construction
- Adjustable shelves
- Sealed internal containment sump
- Two 2" poly vents with caps
- 'Caution Corrosives' label included
- Modular linkage brackets included
