

Installation Kits: Inserts for Wood

- Ideal for use wherever assembly or disassembly could lead to thread erosion or stripping.
- Proprietary external “knife” thread to slice into wood and provide superior holding power.
- Each kit includes inserts, drill, drive tool
- UNC, UNF, and Metric sizes
- Available in brass and stainless steel
- Typical applications for Knife Thread inserts include furniture, cabinetry, partitions, display cases, and shipping containers.
- To install, simply drill a hole and thread insert into place with the included drive tool.

Kit Part Number	Internal Thread	Insert Material	Number of Inserts
EZ-400-006	6-32	Brass	10
EZ-400-008	8-32	Brass	10
EZ-400-008-CR	8-32	Stainless	6
EZ-400-3	10-24	Brass	6
EZ-400-3-CR	10-24	Stainless	6
EZ-400-332	10-32	Brass	6
EZ-400-4	1/4-20	Brass	6
EZ-400-4-CR	1/4-20	Stainless	6
EZ-400-428	1/4-28	Brass	6
EZ-400-5	5/16-18	Brass	5
EZ-400-524	5/16-24	Brass	5
EZ-400-6	3/8-16	Brass	5
EZ-400-624	3/8-24	Brass	5
EZ-400-M3	M3-0.5	Brass	10
EZ-400-M4	M4-0.7	Brass	10
EZ-400-M5	M5-0.8	Brass	6
EZ-400-M6	M6-1.0	Brass	6
EZ-400-M8	M8-1.25	Brass	5
