

Ultrane 525

> **Grip assured, skin protected up to knuckle and unbeatable fingertip sensitivity in oily environments.**

- Oilproof on palm and knuckles, repels oil penetration and reduce dermatitis
- Grip and Proof coating ensures an excellent grip in oily environment. It also reduces muscle strain and boost productivity
- Excellent abrasion resistance due to the nitrile coating
- Unbeatable fingertip sensitivity
- Long lasting and cost effective glove: washable until 5 cleaning cycles (see laundering and drying conditions) and no need to change it so often reduces replacement costs

Automotive/mechanical industry

- Machining parts using cutting oil
- Handling sheet metal
- Handling oily mechanical parts
- Handling and sorting small, sharp parts

Glass industry

- Handling glass sheets

Mechanical industry

- Maintenance in wet environments (water, oil, greases, hydrocarbons)
