

Suds N' Shine

Liquid Car Wash

Gently, yet effectively, cleans and removes road soils from cars, trucks, and buses. Rejuvenates vehicle finish and appearance. Improves water repellency of previously waxed surfaces as it cleans. Ideal for hand, brush, or pressure washing applications. Leaves a beautiful wax-like shine. High sudsing lather. Neutral formulation contains no harsh ingredients and is safe to use on all paints, finishes, chrome, vinyl, and glass. Excellent choice for a one step "wash 'n' wax" product.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Recommended dilution ratios of product to water are as follows:

Hand washing: Use at ½ to 2 ounces per gallon of water.

Pressure washing: Adjust metering tips for a dilution of ¼-½ oz. per gallon of water.

Automatic washing equipment: Contact your chemical representative for specific recommendations based on equipment and water conditions.

1. Wet vehicle with water before applying Suds N' Shine solution.
2. On large vertical surfaces, clean from the bottom up to avoid streaking caused by dried solution.
3. Rinse with water.

FAST FACTS

- Cleans and shines in a single step
- High sudsing / free rinsing
- Works in all water conditions
- Contains no harsh ingredients; safe on all surfaces
- Use on cars, trucks, and buses
