Metal Glove Box Holder - Double - #305301

Steel glove box holders are built for heavy duty use. Constructed of durable stainless steel, they are spot welded for a sleek, easy to care for finish that will withstand years of use and still look new. They are ideal for use in medical, lab and food prep functions or any area where cross contamination is an issue pr protective gloves are needed. These holders are simple to load and can be mounted vertically or horizontally on a variety of surfaces. Each unit accommodates up to two different glove sizes to meet staff needs. All single glove boxes fit this model.
