

Paper Sign Holder

PRINT YOUR OWN SIGNS

Our Paper Sign Holder takes standard 8.5"/215mm x 11"/280mm copier paper which means you can print your own sign with any desk top printer. To fit the sign simply pull the two sides of the acrylic sheet apart and slide the sign in, signs can be changed as often as you like. Our easy fit post top adapter just slides onto the top of your queue stanchion for a firm fit, adapters are available for all major brands of stanchion including rope stanchions.

Takes standard copier paper
