

Truform™

Truform™

A seating series that offers value, comfort and a choice of mechanisms to suit any application.

5450-1 High Back Synchro-Tilter

5450-2 High Back Knee-Tilter

Synchro-tilter chair adjustments

Synchronized seat and back movement with 2-to-1 ratio can be locked in 4 different positions.

Knee-tilter chair adjustments

Seat and back tilt from a pivot point near the front of the chair.

Multi-tilter chair adjustments

Forward and rearward seat tilt with infinite lock and free-floating back angle control. Seat angle adjustment.

Tilter chair adjustments

Fixed back with single position tilt-lock control.

Truform™

Global is pleased to introduce its most extensive offering of seating products. Available with a wide range of mechanisms including: synchro-tilters, knee-tilters, multi-tilters, tilters, operators and task chairs plus drafting stools (with task mechanisms) as well as multi-tilters for heavy duty applications.

Truform features gently curved streamlined seat and back cushions for a more comfortable sit. Choose from high or medium backs with height adjustable SC arms as standard.

For value, comfort and style, choose Truform.

5451-5 Medium Back Operator

5454-6 Medium Back Task

Operator chair adjustments

Seat and back angle adjust independently of each other and lock in any position with free-floating feature.

Task chair adjustments

Fixed back. Seat depth and pneumatic seat height adjustments.

Heavy duty chair adjustments

Built for 24/7 applications. Offers all multi-tilter adjustments.

Seating above and left shown in Maharam, Steady, Bison (ST83).

Truform™

Above, left to right 5450-3 High Back Multi-Tilter in Maharam Sequoia, Plait (YW75), 5454-6 Armless Medium Back Task chair shown in Imprint, Paprika (IM81) and 5451-1 Medium Back Synchro-Tilter in Maharam Sequoia, Plait (YW75).

A. Ratchet back, allows the seat back height and lumbar support to be effortlessly adjusted. Standard on all models except those with task mechanisms. **B.** Side activated seat sliders, a convenient side lever configures the seat depth to suit the length of your legs. **C.** Height adjustable arms, Arms can be raised or lowered at the touch of a button. Additional arm options are available. Please consult the Global price list. **D.** Width adjustable arms SC (WA) arm width adjustment provides up to 2" of arm width adjustment on each side of seat.
