

 **MADE IN THE U.S.A**

Make any Window an Instant Fire Escape.

Hooks rest solidly against both inside and outside walls.

Our unique steel chain design is **OVER 1000 lbs** tension tested to ensure a quick, reliable and safe escape.

Choose the right resQladder:

	Length	Standoffs	Model*
2nd Story Window	12'	3 Pairs	FL12 or FL12SL
	15'	5 Pairs	FL15 or FL15SL
3rd Story Window	25'	7 Pairs	FL25 or FL25SL
4th or 5th Story Windows	35'	9 Pairs	FL35 or FL35SL

*SL models include plastic sleeves covering the chain.

Standoffs keep ladder away from building.

Some models include plastic sleeves that cover the chain.
